

Protect your home and family from those costly and aggravating plumbing problems....for only pennies a day!

1 Discount on Repair Services

As a member of the Ultimate Savings Club you will receive a discount of 10%, up to \$100 per call, on any repairs you may need on your home's plumbing. In addition to getting great service, you'll always know you are getting the best value as a preferred customer.

2 Priority Customer Status

When it gets busy, really busy, you will be moved to the front of the line. All preferred customers, those that have helped us by scheduling regular maintenance through the Ultimate Savings Club deserve extra special attention. When you need emergency services, we will put you in the front of all new customers.

3 Scheduled Maintenance

All Ultimate Savings Club Customers will receive a thorough maintenance inspection once a year on your entire plumbing system in your home. A Professional Technician will review all the plumbing systems and make specific recommendations based on what is currently in your home. You can feel secure and have peace of mind that each year a professional is reviewing your home's plumbing systems.

4 Special offers to customers

From time to time, our preferred customers will receive special offers we reserve for only our best customers. Special discounts, free new product trials, special savings, even special services we choose to offer only to a select group of our very best customers; Our Ultimate Savings Club Customers.
